

Tickets

1. Q. What is the difference between a combo and a single ticket?

A. Single tickets allow you to attend one night's concert. If you would like to attend both concert nights, it is recommended you purchase a combo ticket so that you receive one ticket for each concert night at a discounted price! For example, a P4 single ticket is \$178.35. If you want to attend both concert nights, you can purchase a combo ticket for \$312.57 instead of purchasing two single concert tickets for \$356.70.

*Discount only applies if you are purchasing the same tier for both nights.

*Combo tickets are for ONE PERSON ONLY and are THE SAME TIER. You will receive two tickets, one per night. Combo tickets are NOT for two people.

2. Q. Since combo tickets go on sale first, will it be difficult for me to get a good seat if I only want a single ticket?

A. No; we limit the number of combos to ensure that there will be plenty of good seats to go around.

3. Q. Are the convention tickets included in the prices?

A. Entry into the convention is open to the public at no cost, but entry restrictions will be implemented based on the lawful capacity of the venue. Follow our facebook page for details regarding convention <https://www.facebook.com/LetsKCONAustralia>
